

**Jewish Singles Tour: For 20s, 30s and 40s**  
**Dec. 26- Jan 3**

**Description:**

Come experience the fantastic spectrum of Costa Rica's natural wonders. As you travel from mountain top forest in Monteverde to the active Arenal volcano to the caribbean coast you will truly become enveloped in the richness of the land and its stunning scenery. Discover the country's real treasures through sea kayaking, horse back riding, hiking or biking.

December 26 : Arrive at San Jose's Juan Santamaria International Airport where you will be met by our Memorable Costa Rica reps and transferred to the Crowne Plaza Corobici. Following check-in, take the rest of the afternoon to explore the city or just relax in the hotel. At sundown, we will have a typical Costa Rican Dinner at the hotel followed by group activities. You can then enjoy the hotel casino or turn in early to rest up for the exciting day to come.

December 27 : Following a relaxed breakfast, visit Sharai Zion, one of the most beautiful shuls in Latin America. We will then head for the lush rainforest and hot springs of the Arenal Volcano region. Enjoy the 2.5 hour drive up the southern mountains of the Central Valley, then down towards the flatlands of San Carlos, an area known for its agriculture, forest and cattle industries. The drive will end when we reach the world-renowned hot springs of Tabacon Grand Spa Resort.

Tabacon Grand Spa Resort sits at the base of the Arenal Volcano, one of the most active Volcanos in the Western Hemisphere. Upon arrival, enter the resort and explore the lush tropical gardens, soak in the thermal waters of the Tabacon River and thoroughly relax every bone in your body. At your option, you may choose from a wide array of spa services (additional charge).

December 28 : Choose from three tours. Awake, eat a hearty breakfast (you'll need it) and be transported to the Sarapiqui River where your full day whitewater rafting adventure begins. Hike through virgin rain forest to the river's edge. A thorough rafting orientation will be given and then you are ready to plunge into the swift, spectacularly beautiful Sarapiqui. Wind through lush tropical wilderness for the next few hours—your guides will find a tranquil spot on the river and pull off for a swim and lunch. Upon completion of the trip in mid afternoon, return to Tabacon and enjoy the resort.

The second tour option is a hike in the rain forest led by a professional guide on the magnificent "hanging bridges" tour. Hike on rainforest trails over numerous hanging bridges. You will have unrivaled views of the forest, streams, and waterfall below. See extraordinary panoramic views of the Arenal Volcano and if you are lucky—monkeys, sloths, coatimundis, parrots, toucans and other exotic birds. Upon completion of the tour late in the morning, return to Tabacon and enjoy the resort.

The third tour option is Canyoning. Be transported to a remote waterfall canyon. Rappel down 5 routes into the water below. Rappels range from 20-50 meters-this activity is sure to get your blood flowing. Upon completion of the tour in early afternoon, return to Tabacon and enjoy the resort.

December 29 : Free morning to enjoy the resort and hot springs. We will then head for the beach and embark on a scenic 4 hour drive across the Guanacaste or "gold coast" region which is situated in the Pacific northwest of the country. This beautiful drive takes us around Lake Arenal where we will transfer from lush rainforest to the tropical dry forests of the Guanacaste Savannah. Arrive at the Ocotal Beach Resort where you will spend the next four days relaxing on the beach, swimming in

the magnificent blue waters of the Pacific, engaging in a variety of land and water activities, or just enjoying the pool area.

December 30 : Choose from two tours. Take a horseback-riding excursion deep into the jungle and trek across Costa Rica's rich topography. Keep an eye out for monkeys, toucans, sloths, and other Costa Rican wildlife.

For those who are not equine aficionados, the alternative excursion will be a Canopy Tour – one of Costa Rica's adventure trademarks. Climb up to start the multiple platform canopy experience, then glide from tree to tree and get a bird's eye view from the canopy of the forest. Upon completion of your outing, return to the Flamingo Beach Resort and spend the rest of the day as you choose.

December 31 : Following breakfast, we will take an optional day trip to the town of Tamarindo. After a 1.5 hour drive past cattle ranches and small towns, we will reach the Pacific Ocean resort town of Tamarindo. Spend time on the beaches of this world famous surfing destination and visit the numerous shops and stands of this bustling beach town. Those interested in taking surfing lessons will have the opportunity to do so (additional cost). You will be on your own for lunch where you can dine in one of the many wonderful local restaurants. In the late afternoon, we will return back to Ocotal Resort. Those that decide to stay back will have a free day to spend enjoying the amenities of the resort. At night, join the group for the planned New Year's party.

January 1 : Happy New Year! Choose from two tours. Board a boat and take an enjoyable ride to a special "snorkeling" location in Papagayo Bay. Your guide will lead you to the best spots for sighting all types of colorful marine life; if you are lucky, Blue Pacific Dolphins may stop by for a visit.

Those not wanting to snorkel will have the option of going on the Canopy tour (see day 5). Upon completion of your excursion, return to Ocotal Resort. At sundown, we will have a Shabbat dinner - Jewish traditions and Costa Rican grill cooking will blend to make this a unique experience.

January 2 : Final morning to enjoy the beach and resort. In the afternoon will then start the 4 hour drive down the Interamerican Highway back to San Jose. On the ride back, we will stop for lunch at a scenic restaurant. Upon arrival in San Jose, check back into the Crowne Plaza Corobici; enjoy the amenities of the resort or rest up for the evening's activities. Dinner will be at a delightful restaurant where memories and stories of the past week will be shared.

Visitors from all other nationalities should check with the Costa Rican Embassy, or visit the Embassy's website at <http://www.costarica-embassy.org/consular/visa/default.htm>

The Arenal Volcano region should be in the low to mid 80s during the day; rain can occur in the rainforest at any time, so come prepared. Nights might be a little cool, in the low 70s, so a light sweater or sweatshirt is recommended. Papagayo should be sunny with temperatures in the high 80s/low 90s with a nice breeze coming off the ocean. Nights will be comfortable.

**Health Concerns:** No immunizations, shots, inoculations or vaccinations are required to enter Costa Rica. We suggest you check with your physician for individual recommendations.

**Electricity and Water:** Costa Rica has the same electric system as the United States. Electric outlets provide 120 volts / 60 Hz.
