TELLURIDE: Feb. 20-27, 2010

We love Telluride and keep returning but this time we are taking it to a new level (literally) and staying right on the mountain. Ski-in Ski Out at its best. The Peaks Hotel and spa is stacked on the slopes of Telluride's ski mountain, this nine-story hotel caters to skiers, golfers, and upscale travelers who want lots of luxury and personal attention. The sprawling lobby lounge welcomes guests with an oversized fireplace, leather chairs and sofas, original art, and a three-story atrium that overlooks Telluride and the surrounding peaks of the San Juan Mountains. is home to Colorado's largest health spa, the celebrated Golden Door. Occupying five floors, it includes a family level with an indoor/outdoor pool, spas, and water slide; children's pool, steam room, and sauna. The fitness level features an indoor lap pool, gym, exercise classes, squash and racquetball courts, rock-climbing wall, and outdoor tennis courts. Body-pampering treatments take place in 32 private rooms, with robes and slippers provided.

ABOUT

Telluride is a renowned Colorado ski destination, is a ski-lover's paradise. Telluride and Mountain Village are located in southwest Colorado's majestic San Juan Mountains. What began as a turn-of-the-century mining community has evolved into a world-renowned resort. A National Historic Landmark District with Victorian-era architecture, Telluride is nestled in a box canyon at the base of the Telluride Ski Mountain (8,750'), surrounded by 13,000' peaks. The picturesque San Miguel River and river trail wind through town joining Town Park with the historic train depot. The town is less than one mile long, so all accommodations are just a short walk to Main Street shops and restaurants or to the two ski lifts and the year-round gondola accessing the mountain. The mountain has some of the most spectacular scenery we've seen. Beginners and intermediate, don't let the rumors scare you. There is plenty of mild terrain on this mountain, and what's best is that some of the easy slopes are at the top of the mountain, giving you the same gorgeous vistas that the more advanced people enjoy.

STEAMBOAT SPRINGS March 6-13 or 5 day option March 8-13

STEAMBOAT SPRINGS-: We love the true western hospitality, and friendliness of the mountain, not to mention its reputation for deep powder. It is one of the biggest ski mountains in North America! 142 trails make Steamboat the 2nd largest mountain in Colorado with 3,668 ft. vertical and 2,939 acres of terrain. The mountain offers terrain for all level skiers and snowboarders. (trail classifications are 13% beginner, 56% intermediate, and 31% advanced), with open areas on Sunshine and Storm Peaks offering fabulous skiing for those looking specifically for great powder. And it's easy to get to. Steamboat is only 22 miles from Hayden airport. Chicago, Atlanta, and Dallas, have daily non stop flights; Newark offers a Saturday flight which we can accommodate.

Not to be forgotten is the mountain town and the village. Our mountain village setting is within walking distance to restaurants, nightclubs, shopping, and activities. To get there, a free shuttle is provided, offering access to all the village has to offer, including a number of entertainment options. Special mountain BBQs and excursions such as the wonderful Strawberry Park Natural Hot Springs will be among our trip options.

We are also excited to be staying at one of the nicest hotels on the mountain, the Steamboat Grand, described as casual elegance (isn't that perfect for us?). You'll feel it right away when you enter via a foyer with a rock-strewn waterfall that echoes throughout the two-tiered lobby. A floor-to-ceiling stone fireplace surrounded by sofas and chairs make the lobby a popular gathering spot. While it is not ski in ski out, it is a short walk (200 yards to the lifts) and there is a hotel ski storage valet right on the mountain. When you arrive your skis, boots, and poles will be brought to the storage and all you have to do the next morning is walk to the storage house, where you can leave your shoes. And when you come back, your gear will be taken care of, including boot warmers!. Off-the-slopes amenities include a fitness center with sauna, day spa, outdoor heated pool, and two large spa tubs, plus a full day spa, shops, and a steak and chop house. Wired Internet Service available in all guest rooms, convention rooms and the hotel is wireless in all common areas. Ski Valet at Steamboat Ski & Sport ski shop offers top of line ski and board equipment, tubing tickets, retail, demo's, etc.
