Itineraries

ITINERARY 1: ULTIMATE

DAY 1: DRIVE FROM SCOTTSDALE/PHOENIX TO THE GRAND CANYON CAVERNS INN

8:00am – Meet in the lobby of the Marriott Courtyard Old Town Scottsdale. Today we will head north through the Sonoran Desert and into the high elevation plateaus and red rock canyons of north central Arizona. Soon we will arrive in Sedona, Arizona – featuring absolutely sublime red sandstone formations. Hike along Oak Creek and across a spectacular ridgeline with 360 degree panoramas of the entire Sedona area. As you hike, your guides will introduce you to the unique flora, fauna, geology and cultural history of the area. After a picnic near the creek, we will drive through Oak Creek Canyon, home to lush riparian vegetation and towering red rock walls – this is one of the most scenic drives in America. Once we have attained the Mogollon Rim at over 7,000 ft., we will continue across the Colorado Plateau to the Grand Canyon Caverns Inn. Here we will enjoy dinner as your guides brief you on the following morning's activities.

Hiking: 3 miles

DAY 2: DESCEND INTO THE BOTTOM OF THE GRAND CANYON

After an early breakfast, we will drive the short distance to the trailhead, which is perched on the edge of the canyon. It is called Hualapai Hilltop (pronounced "Walapai") and is the only land travel access to Havasupai. Starting at 5,100 feet, the trail begins with switchbacks until we reach a dry streambed where the trail begins to level out. After a trailside lunch, the canyon walls seem to grow around you as you descend deeper into the labyrinth of red sandstone. At mile 8, the canyon begins to widen and the vegetation turns lush as you enter the village of Supai, the most remote village in the U.S. where even the mail still arrives by packhorse. Here at 3,200 feet, after a welcome rest stop, the Cottonwood lined paths will lead you through the village and into the canyon's backcountry. A little further down the trail, you walk past the New 50 ft. Falls (75 ft. tall), 35 ft. Slide Falls and 100 ft. Havasu Falls and from there you will find our fully equipped base camp waiting for your arrival. Estimated arrival time is between 1:00pm and 3:00pm. You will have free time to explore the area while your guides arrange camp and prepare dinner. Sleep under the stars or retire to your spacious tent for a peaceful night of slumber.

Hiking: 10 miles

DAY 3/4: ADVENTURE AND RELAXATION IN THE "GEM OF THE GRAND CANYON"

Awaken in our base camp, nestled along a stream, beneath towering cottonwood trees and a short walk to enormous waterfalls. You will find fresh brewed coffee and a hearty breakfast waiting in the camp kitchen. Every morning and afternoon your guides will lead you on some of the of wild grapevines. Clamber up narrow side canyons with red rock walls towering thousands of feet overhead. Even take a swim beside a 200 ft. waterfall. Each day you will dine on healthy, hearty meals prepared by your guides. All the hikes are optional and you are welcome to skip any. You can just spend a lazy afternoon or morning reading a book in a hammock by the creek. Remember, it's your vacation, make of it what you wish. We have options from high adventure to peaceful relaxation.

Hiking: 4-8 miles

DAY 5: CONQUER THE CANYON AND ASCEND FROM PARADISE

The scenery and magic of the canyon will make you never want to leave, but after breakfast it is time to conquer the canyon! While always tiring, the exhilaration of reaching the rim is an amazing feeling you will always remember. Expect to arrive at the rim around 2:00pm. We will return to Scottsdale/Phoenix between 6:00pm and 8:00pm.

Havasupai Adventurer itineraries depart at 1:30pm – We will not be hiking this day so comfortable, casual clothing is fine. Can I meet the group some place other than Phoenix? YES, but ALWAYS notify our office of your travel plans in advance so we can confirm a meeting location with a map and directions.
Depart From:	Most trips will return to Phoenix between 6:00pm and 8:00pm on the last day of the trip.

	<p>The return time is dependent upon hiking speed and/or helicopter departure time. If you choose to fly out of the canyon, please note that the helicopter can not be booked at a specific flight departure time. As part of the helicopter company's agreement with the Havasupai Tribe, they must first serve all tribal members and tribal business before they can fly any tourists. Once tribal flights have concluded for the day, tourists are flown on a first come first serve basis. We have a great relationship with the helicopter company and do their best to get the group out of the canyon between 12:00 and 3:00pm There are days when there is more tribal business than others and consequently a group will fly out later than 3:00pm.</p> <p>After an intense day of play and activity in the sun, many trip members are very tired at the end of the trip. Considering this and our potentially late arrival into Phoenix, please do not schedule return flights before 10:00pm. We strongly suggest departing the day after your trip ends. If you must schedule a flight out that evening earlier than 10:00pm, please notify our office and we will make every effort to assist you in arriving to the airport on time. We will not be responsible for additional expenses incurred by trip members for missed flights. Transfers to and from the airport and your hotel is on your own, however our host hotel offers complimentary transfers.</p>

<p>Weather</p>	<p>From April to July and also September and October, the canyon receives very little precipitation. During these times, you should plan for warm, sunny days. The temperature in the canyon is cooler than Phoenix and warmer than at the Canyon Rim. Remember, it is a dry heat and warm temperatures are preferred if swimming is an important part of your fun. Amazingly, because it is spring fed, the stream next to our base camp and the streams that create the waterfalls are a constant 70 degrees throughout the year. Listed below are the average air temperatures in Havasupai. You can check up - to - date weather conditions prior to departing for your trip at www.weather.com and enter "Supai, Arizona" for the city.</p> <p>Month High Low</p> <p>January 55 30 February 61 35 March 70 44 April 77 46 May 86 52</p>

<p>Preparation:</p>	<p>While the hike into Havasupai is not extremely difficult, you should feel confident in your ability to walk 10 miles. We recommend doing some training before you join us, as your trip will be far more enjoyable if you do not have sore muscles or blisters. The best way to prepare for the trip is to start moderate training with hiking and walking a few months before departure. Walking and hiking use specific muscles that are utilized differently than when running or cycling. We recommend that you take long, swift walks wearing the boots or shoes that you will wear into the Canyon. As always, <i>you should consult with your physician before commencing with anynew workout program.</i></p> <p>Certain sections of the trail are quite rocky and we recommend wearing mid - weight, sturdy, supportive hiking shoes or boots. However, comfortable athletic shoes or trail running shoes can work also. Whichever you choose, please make sure you break them in prior to your trip.</p> <p><i>Are any of the trails steep or exposed?</i></p> <p>Yes. There are a few steep sections and exposed overlooks on the various trails we hike. Mooney Falls in particular has an extremely steep descent/ascent. The trail consists of fixed chains bolted into the nearby limestone for support and it passes through two short tunnels carved out of the rock. All hikes, once in base camp, are optional and our guides will be sure to brief trip members on the difficulty and exposure of each hike prior to setting out. If you have any concerns about your hiking ability or the trails, please share them with your guides. They are highly experienced in supporting and guiding you through whatever route you choose.</p> <p><i>Will we get wet during the hikes?</i></p> <p>Yes. Many of the scheduled day hikes require crossing streams. Shoes are required when hiking through or swimming in Havasu Creek (water shoes preferred). Guides are always available to assist with stream crossings.</p> <p>WHAT SHOULD I PACK?</p> <p>During most times of the year, you will spend nearly all of your vacation in shorts, t - shirt and a bathing suit. Lightweight, quickdrying fabrics such as nylon, fleece and other synthetic materials are preferred. Cotton, especially denim, is not recommended as it retains heat and moisture. Of course, comfortable cotton is great for nighttime and sleeping apparel. The duffel bag containing your personal items that will be carried by the packhorses should weigh no more than 15lbs after packing. It must be soft on ALL sides and without wheels. Items and luggage brought only for the trip to and from the Canyon, or the rest of your vacation, can be left in the locked vehicle at the trailhead. All other items will be supplied by guides</p>
<p>Accommodations</p>	<p><i>Sleeping quarters OUT of the Canyon</i></p> <p>The Havasupai Adventurer and the Ultimate Havasupai itineraries each include one nights lodging on Day 1. We will be staying at the kitschy and retro Grand Canyon Caverns Inn located on historic Route 66. We feel it is the perfect transition from our day - today city life luxuries to what we consider 4 - star tent camping AND it's conveniently located to our trailhead early the next morning.</p> <p><i>Sleeping quarters IN the Canyon</i></p> <p>All tents are made of durable construction with a full - coverage rain - fly. Each tent has plenty of space for 2 people and their gear. Tents are equipped with thick and comfortable sleeping pads. Freshly cleaned sleeping bags and sheets are included only with the Ultimate Havasupai (July 1-5) itinerary, however they can be rented otherwise. Information will be in your confirmation packet.</p> <p><i>Will there be electricity or a generator to charge batteries and equipment?</i></p> <p>No, all equipment must be battery powered. Please bring enough batteries for all your equipment for the entire trip.</p> <p>WHAT ARE THE BATHROOM & SHOWER FACILITIES LIKE?</p>

	<p>There are no shower facilities in Havasupai. You can either bathe in the beautiful swimming hole at our base camp or we can provide you with a solar shower, just ask your guides for one upon arrival at camp. Please bring biodegradable soap, which can be purchased at any outdoor - oriented store such as REI. Guests with long hair may prefer to bring biodegradable shampoo also. Leave - in conditioners are recommended. The toilet facilities are composting toilets and port - a - johns located a short walk from our campsite. We do supply toilet paper, but it is always nice to have your own roll in your tent. Ask your guides for helpful hints and etiquette for using these toilets.</p>
<p>Optional Activities</p>	<ul style="list-style-type: none"> • Horseback Ride into or out of the canyon (\$110 per person, one way) • Helicopter Ride into or out of the canyon (\$110 per person, one way)
<p>How do I join this trip?</p>	<p>Please mail or fax the registration material at the end of this packet to 877.264.7694 to reserve a space. PARTICIPANT AGREEMENT, RELEASE AND ACKNOWLEDGEMENT OF RISK

In consideration of the services of Do Good Adventures DBA Steppin' Out, Ltd., their agents, owners, officers, volunteers, participants, employees, contractors and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "Steppin' Out"), I hereby agree to release and discharge Steppin' Out on behalf of myself, my children, my parents, my heirs, assigns, personal representative and estate as follows:

1. I acknowledge that **EVENT:** _____ **on the following dates:** _____ entails known and unanticipated risks which could result in physical or emotional injury, paralysis, death or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

Furthermore, Steppin' Out guides have difficult jobs to perform. They seek safety, but are not infallible. They might be ignorant of a participant's fitness or abilities. They might misjudge the weather, the elements, or the terrain. They may give inadequate warnings or instructions, and the equipment being used might malfunction.

2. I expressly agree and promise to accept and assume all risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks.

3. I hereby release, forever discharge, and agree to indemnify and hold harmless Steppin' Out from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of Steppin' Out's equipment or facilities, including any such Claims which allege negligent acts or omissions of Steppin' Out.

4. Should Steppin' Out or anyone acting on their behalf, be required to incur attorney's fees and cost to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.

I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I certify that I have no medical or physical conditions which could interfere with my safety in this activity, or else I am willing to assume - and bear the cost of - all risks that may be created, directly or indirectly, by any such condition.

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court to have waived my right to maintain a lawsuit against Steppin' Out on the basis of any claim from which I have released them herein. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portion shall remain in full force and effect.

I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.
